“The Son of Man came not to be served but to serve.”  
Matthew 20:28

## Responsibility...

To serve on a Happening staff is a privilege, a serious responsibility, and a joy. Before applying to serve on staff please understand that you will be required to attend meetings and recruit participants. You will also need to make arrangements to arrive at the Domain Thursday night of the Happening weekend to help set up for the event. If missing school is not an option, please let us know in advance. Staff members are expected to pay the **\$150.00 fee** for the weekend and scholarship money is available if needed.

## Selection...

After you have decided to apply for staff, please complete the application and mail it to the address on the back of this form. The staff is chosen after prayerful thought and contemplation by the rector for the weekend with input from Happening Steering Committee. Choosing the staff is one of the most difficult and draining tasks for the rector so we ask that you respect their decisions.

If you are asked to serve on the team, you will be notified by email or by phone. We request that you promptly reply if you can commit to serving on the team. Staff assignments and talks will be determined during staff meetings.
