What Does ACA Accreditation Mean to You?

- It assures you that our camp practices have been measured against national standards and go a step beyond state regulations.
 - At least once every five years an outside team of trained professionals observes this camp in session to verify compliance with over 300 standards including food service, health care, staffing, safety, and quality of our programs.
- Accreditation ensures that the camp experience is specifically designed to achieve positive outcomes for the children and adults who participate.

Why Choose the Cathedral Domain?

- **Great Location:** "The Domain" is located one and a half hours southeast of Lexington, KY. It covers 800 acres in the mountains of Lee County and is adjacent to the Daniel Boone National Forest.
- **Comfortable Housing:** We use cabins generally housing 8-12 campers. All cabins have at least one bathroom as well as hot water sinks and showers. Most cabins have outside decks that overlook either the volley ball court, pool or activity field.
- **Delicious Dining:** All meals are served in the camp's Bishops' Common dining hall which maintains a Grade A health department rating. Campers will enjoy three meals a day and can select unlimited items from our salad bar. Vegetarian options are offered as well. We work with parents to accommodate special diets.
- **Nice Pool:** Staffed with certified Lifeguards, the pool offers swimming and water activities.
- **Fun Hiking:** Trained hike leaders take campers on nature hikes throughout the 800 acre property including a tour through a cave located on the premises.
- **Excellent Staff:** Staff members are chosen for their character, education, camping experience, and the example of a Christian lifestyle they can set for their campers. Paid Domain staff are certified in First Aid and CPR.
- **Spiritual Growth:** The wooden gothic cathedral overlooks the mountain, and both the outdoor shrine and the indoor chapel create inviting places for campers and staff to gather for opening and closing services and regular worship. Other programs and facilities include a recreation pavilion, playground, activity field, archery range, Nature Center, and repelling and rock climbing stations.

What is Included in The Fee?

- All room and board
- Camp Store - The Domain operates a small store in which water, fruit juices, sodas, snacks, fresh fruit, candy, and slush puppies are provided.

Scholarship info

To apply for a camp scholarship please send a letter that states you need financial help with a suggested fee of \$ 50.00 for week long sessions or \$ 25.00 for Mini Camp sessions.

The Cathedral Domain recognizes that more than 1 in 4 children in Kentucky are living in poverty. The Cathedral Domain does provide scholarships to campers in financial need, and our policy is that NO camper is turned away due to financial hardship.

Summer camp at the Cathedral Domain can be one of the most meaningful experiences in the life of a child. The tiered pricing helps families recognize the cost of camp and select the level of payment that is most appropriate for them. Families may freely choose any of the three levels, and each child will receive the same camp experience, regardless of the level selected.

For many years, expenses have been subsidized by the Cathedral Domain and the Episcopal Diocese of Lexington. While the generous support of our donors continues to make a significant impact, rising costs and our former fee structure have become unsustainable over time. We want to ensure that many generations to come will experience God's Love on the Mountain. Our tiered pricing is well below the national average, and the quality of our camper experience remains high!

Summer Camp Visitor Policy

Opening and Closing Days: On opening and closing days of camp sessions, family and friends providing transportation for campers are welcomed as visitors. Other visitors will not be allowed.

All Other Times: Visitors will not be allowed during the summer camp period, neither during nor between sessions. This does not apply to persons wishing to tour the camp facility for business reasons, to parents of prospective campers wishing to see the facility, or in emergency situations.

I understand and certify that my child's participation in The Cathedral Domain's activities is completely voluntary and I have familiarized myself with the camp's program and activities in which my child will be participating. I recognize that certain hazards and dangers are inherent in the Cathedral Domain's program including, but not limited to, swimming, rock climbing, repelling, hiking and caving. Although The Cathedral Domain has taken safety measures to minimize the risk of injury to camp participants, equipment, premises, and/or activities will not be free of hazards, accidents, and/or injuries.

Covid19 precautions

The staff of The Cathedral Domain works extremely hard to ensure that all areas of camp are sanitized for the safety of the campers and staff. If any camper has a temperature or shows any symptoms of Covid19, they will be isolated until you can come and pick them up.
